Digitized by Google

In the List of Regiments, the *Field Officers* have the Date of their *last Regimental Appointments* annexed to their Names, their Army Rank being specified in the List of General and Field Officers; Captains with the Brevet of Field Officers, the Date of their *first* Commissions as Captains; the other *Captains*, *Subalterns*, and *Staff*, the Date of their *Army Rank*, their Seniority in the Regiment being indicated by the *Order* of their Names in each Rank.

The Words subscribed to the titles of Regiments, as "Peninsula," "Waterloo," &c. denote the Honorary Distinctions permitted to be borne by such Regiments on their Colours and Appointments, in commemoration of their Services.

In the List of Regiments the names of Officers on the Supernumerary or Seconded Lists are printed in *Italics*.

Alphabetical List

OF

GENERAL AND FIELD OFFICERS

RETIRED FROM THE ARMY,

With the Regiments from which they Retired.

All General and Field Officers whose names are allowed to be retained in the Army List, whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October, 1854, shall send a Notification to Her Majesty's Secretary of State for War of their being alive on the 1st January and the 1st July of each year.

If such Notification due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed from the Army List.

Gen. No.

78

MEMORANDUM.

ANY Captain applying to the Secretary of State for War to be appointed a Staff Officer of Pensioners should answer distinctly the following questions as to his qualifications:

1st. What is his age? Whether on Full or Half-Pay? Whether serving abroad or at home?

2nd. Has he completed FIFTEEN years' service on Full Pay as a Commissioned Officer, and in what Corps?

3rd. What is the date of his Commission as Captain?

4th. Did he receive the difference when placed on Half Pay? Did he retire at his own request, from ill health, or from wounds?

5th. Has he served as Adjutant, or Paymaster, or on the Staff in any capacity likely to qualify him for the duties of Staff Officer of Pensioners?

6th. Has he certificates of ability and fitness from Officers under whom he served?

N.B. Officers under or above the rank of Captain, or whose appointment would involve immediate Brevet Rank, or who, having received the difference, are not prepared to repay it, are ineligible for the appointment of Staff Officer of Pensioners.

ORDER OF THE STAR OF INDIA.

India Office, May 24, 1866.

THE Queen, taking into her Royal consideration the expediency of making certain changes in the constitution of the Most Exalted Order of the Star of India, as well by altering the designation of the present Knights of that Order as by adding thereto two additional Classes, so as to enable Her Majesty, her heirs and successors to reward a greater number of persons of conspicuous merit who have rendered, or may render, important services to the Crown in India, has been graciously pleased, by letters patent under the Great Seal of the United Kingdom of Great Britain and Ireland bearing date the twenty-eighth day of March last, to revoke and abrogate so much of the letters patent, bearing date the twenty-third day of February, one thousand eight hundred and sixty-one, by which the said Order was instituted, as limits the same to the Sovereign, a Grand Master and twenty-five Knights, and as is inconsistent with or contrary to the provisions of the now recited letters patent.

And to ordain, direct and appoint, that the said Order shall be henceforth, as heretofore, styled and designated in all acts, proceedings and pleadings as "The Most Exalted Order of the Star of India:"

And to ordain, direct and appoint, that the said Order shall consist of the Sovereign, a Grand Master and one hundred and seventy-five ordinary Companions or Members, which last shall be divided into three classes, together with such Extra and Honorary Members as Her Majesty, her heirs and successors, shall from time to time appoint:

And to ordain, direct and appoint that Her Majesty, her heirs, and successors, Kings or Queens Regnant of the said United Kingdom, shall be successively the Sovereign of the said Order, and that the Viceroy and Governor-General of India for the time being shall be the Grand Master of the aforesaid Order, and shall in virtue thereof be the first and principal Knight Grand Commander of the Order:

And to ordain, direct and appoint that the said one hundred and seventy-five ordinary Companions or Members shall be divided into three Classes, and that the First or highest of the said three Classes shall consist of twenty-five members, to be styled and designated Knights Grand Commanders of the said Order; and that the Second Class shall consist of fifty members, to be styled and designated Knights Commanders of the said Order; and that the Third or lowest Class shall consist of one hundred members, to be styled and designated Companions of the said Order:

And to ordain, direct and appoint, that the said Order shall continue to be governed by statutes and ordinances to be from time to time made and ordained by Her Majesty, her heirs and successors, Sovereigns of the same.

In pursuance of the power so vested in the Queen, as Sovereign of the said Most Exalted Order of the Star of India, Her Majesty has also been pleased to issue new

Order of the Star of India—*continued.*

statutes for the government of the said Order, and therein to ordain, direct and appoint that it shall be competent for the Sovereign of the said Order to confer the dignity of a Knight Grand Commander of the same upon such Native Princes and Chiefs of India as shall have entitled themselves to the royal favour, and upon such British subjects as have by important and loyal services rendered by them to the Indian Empire merited such royal favour; and that as regards the Second and Third Classes of the said Order, no person shall be nominated thereto who shall not by their conduct or services in the Indian Empire have merited such royal favour.

The precedence of the several Knights Commanders and Companions will be in accordance with the list published, by Her Majesty's authority, under the orders of His Excellency the Grand Master, in the Gazette of India.

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

WARRANTS, CIRCULARS, &c.

CIRCULAR, No. 957.—(*Militia.*)

51—Kent Artillery—188. *War Office, 22nd May*, 1866.

Sir,—With reference to the last paragraph of the War Office Circular of the 14th ultimo, No. 952, I am directed by the Marquis of Hartington to inform you that men about to be discharged during training on account of sickness may be allowed to take their boots, shirts and socks away without special sanction, provided they have worn them. His Lordship has sanctioned this measure in order to prevent the inconvenience which would arise from detaining such men while special authority was obtained. The issue of the articles in question should be withheld from men who are not likely to pass the medical examination, until the question whether they are to be discharged on account of sickness is decided.

I have the honor to be, Sir, your obedient servant,

The Officer Commanding Militia. DUFFERIN.

CIRCULAR, No. 958.—(*Barracks*).

(EXCLUSIVE OF INDIA.)

Canada 4—39. *War Office, 31st May*, 1866.

The attention of the Secretary of State for War has been drawn to the numerous instances in which articles of furniture for Canteens, Schools, Recreation Rooms, Offices, &c., and Barrack furniture and utensils generally, have been purchased by order of General Officers commanding abroad without previous sanction, when no emergency had occurred to prevent the Secretary of State's sanction being first obtained.

Barrack Masters have orders to include in their annual demands all utensils and other articles of Barrack furniture which the regulations of the Service allow to be issued. These are either supplied from home, or authorized to be purchased on the spot. The instances must therefore be very rare in which it can be necessary for a General Officer Commanding to order such things to be purchased without the previous sanction of the Secretary of State.

Barrack Masters abroad will, in future, transmit to this Office a separate demand, at the same time as they transmit their Annual Store Demand, for all articles of furniture, &c., not included in the Annual Store Demand which they anticipate will be required during the year, and which will be chargeable to Vote 4. To enable this to be done, General Officers commanding will instruct commanding Officers to furnish Barrack Masters with a list of any articles they may consider necessary for the ensuing year. Barrack Masters will compile from these lists a single demand, which they will submit to General Officers commanding, who will place their observations thereon, and return them. Barrack Masters will then forward them, together with the original demands, for the consideration of the Secretary of State for War. The original demand should clearly show how the necessity for each item arises.

Such articles as the Secretary of State for War permits to be furnished will be either supplied from home or authorized to be procured upon the spot.

Under these arrangements it is considered that no necessity should exist for expenditure not previously sanctioned by the Secretary of State. Lord Hartington therefore invites the co-operation of General Officers commanding in giving effect to the above directions, and his Lordship has given instructions that any expenditure incurred without previous sanction shall be disallowed, unless it can be clearly shown that such an emergency had arisen as to justify covering authority being sought instead of previous sanction.

EDWARD LUGARD.

CIRCULAR, No. 959.—(*Barracks.*)

(EXCLUSIVE OF INDIA.)

Portsmouth 6—1797. *War Office, 31st May*, 1866.

The Secretary of State for War has decided that the following regulations shall in future be carried out, in the event of loss or theft of Barrack Stores not in the possession of the Troops; in order that he may be enabled to decide whether the

CIRCULAR, No. 959—*continued.*

Officer of the Barrack Department, in whose custody they may have been, shall be relieved of their charge. 15th

At Home.—The circumstances of the loss or theft will be immediately reported to the Superintendent of the Barrack Department, who will issue instructions in each case.

Abroad.—The circumstances of the loss or theft will be immediately reported to the Officer Commanding, who will order a Court of Enquiry to be assembled. The evidence and finding of such court will be forwarded for the decision of the Secretary of State for War.

EDWARD LUGARD.

GENERAL ORDER. No. 886.

Staff College—2 (1866). *Horse Guards, S. W., 23rd May,* 1866.

The accompanying Regulations for the Staff College, having been revised, are now promulgated, for the information and guidance of Officers of the Army.

All applications to study at the Staff College must be made whilst the Officer making it is present and serving with his Regiment, through the Commanding Officer. No application from an Officer on leave will be entertained.

Although only one Officer can be spared from a Battalion at a time for the purpose of studying at the College, this will not necessarily prevent a Battalion sending more than one to compete at an examination, if circumstances admit of their absence from their Regiment.

The principle under which Officers are allowed to enter the Staff College being that of pure competition, it follows that candidates who may be found qualified at any examination, but who, from want of a sufficient number of vacancies, cannot then be admitted, will not have any claim to subsequent admission, without undergoing another competitive examination.

By order of HIS ROYAL HIGHNESS
THE FIELD MARSHAL COMMANDING IN CHIEF.

WILLIAM PAULET, *Adj. Gen.*

Staff College. *Horse Guards, S. W., 1st May,* 1866.

The following Regulations for the Staff College are substituted for those of the Memorandum of the 25th August, 1863, published with the General Order No. 855:—

I. The Staff College is open to Officers of all arms of the service, and consists at present of thirty students; admission to the College being determined by a competitive examination. Only one Officer at a time can belong to the College from a Battalion of Infantry, or a Regiment of Cavalry, and only four Officers at a time from the Corps of Royal Artillery; but so far as the exigencies of the Service shall permit, there will be no limitation to the numbers allowed to compete for admission.

Fifteen vacancies will be offered for competition annually, two of which may be filled by Officers of the Royal Artillery, provided they are among the fifteen candidates highest on the list.

II. No payment is required from students to the funds of the College, except an entrance subscription of three guineas to the College Library.

III. The qualifications requisite for admission, are—

1st. A previous service of not less than five years, exclusive of leave of absence.*

2nd. A certificate from his Commanding Officer, as follows:—

"I hereby certify that I have examined ——— on the various subjects connected "with his duty as a Regimental Officer, and more especially on the points which form "the chief qualifications of a Staff Officer, with a view to his competency for admission "to the Staff College, Sandhurst; and, to the best of my belief and judgment, I "consider him, from his general knowledge of the Service, character, habits and dis- "position, to be qualified in those respects for employment on the Staff.

"He is a (good, fair, or indifferent) rider, and is not short-sighted."

Signature of Commanding Officer of Regiment ——.

Countersigned by the General of Brigade, or other Superior Officer ——.

3rd. The candidate, if not a Captain, to have passed the examination for a Troop or Company.

4th. A medical certificate of good health and fitness for the active duties of the Staff.

IV. Commanding Officers of Regiments will in every case forward applications for admission to the Staff College, through the General Officer in command, to the Adjutant

* This is not to apply to the usual leave of absence annually granted to Officers.

NERAL ORDER, No. 886—*continued.*

al. If the Commanding Officer of the Regiment, or the General Officer command- annot recommend the application of any candidate, the grounds of objection to be ictly stated.

The competitive examination for entrance to the Staff College comprises the owing subjects, the relative value of each at the examination being shown by the mber of marks attached to it :—

		Marks.
Mathematics	...	1200
Military History ... ... 600 }		
Military Geography ... 300 }	...	900
French	...	300
German	...	300
Hindustani	...	300
Fortification	...	600
Military Drawing	...	300
Mineralogy and Geology	...	300
Chemistry, Heat, Electricity and Magnetism ...	...	300

In mathematics, 400 marks are allotted to arithmetic, the first four books of Euclid and algebra, including questions producing simple equations; and of this number at least 250 must be obtained for qualification.

Every candidate must take up either the French, German, or Hindustani language for qualification; the qualifying minimum is, in French 150 marks, in German or Hindustani 100 marks.

The remaining subjects, as well as the higher portions of mathematics, may be taken up or not at the option of the candidate, the marks gained therein being reckoned in determining his position in the lists of competitors. No candidate, however, will be allowed to count marks in any subject left optional unless he obtains at least one-sixth of the number allotted to it.

In regard to Military History, early notice will on each occasion be given of the special campaigns on which questions will be set at the next ensuing examination.

VI. The examination of Officers serving in the United Kingdom, for entrance to the Staff College, is held in London, about the month of July, under the direction of the Council of Military Education.

In the case of Officers serving abroad, the examinations of such as are allowed to compete are conducted by means of the same printed questions as are set for the examination of candidates in London. These questions are to be answered in writing in the presence of a Board of Officers, which will be appointed by the General Officer in command, and which will certify that the candidate has obtained no assistance from books, or help of any kind, in the examination.

VII. The College course of study commences annually on or about the 1st February. The transmission of the printed examination papers to stations abroad is so arranged that the examinations may be held simultaneously, and the merits of the candidates decided upon in time to admit of those who are successful joining the Staff College by the 1st February next ensuing.

VIII. The following are the subjects of Instruction at the Staff College, viz. :—*

Mathematics.
French, German, and Hindustani.
Fortification and Artillery.
Topographical Drawing, Military Surveying, and Sketching.
Reconnaissance.
Military Art, Military History, and Geography.
Military Administration, including the organization and equipment of Armies in the Field.
Military Legislation.
Elements of Natural Philosophy, Chemistry and Geology as applied to the Military Sciences.
Exercise in Composition will be afforded to the students during the whole course of instruction, in writing Memoirs or Essays on the subjects of the course.
Riding.

IX. The course of study occupies two years, which period is not to be exceeded except in case of illness, and then only with the sanction of the Field Marshal Commanding-in-Chief.

---

* A Synopsis of the course of Study will be forwarded to any Officer on application to the Council of Military Education, 13, Great George Street, S.W.

Digitized by Google

GENERAL ORDER, No. 886—*continued.*

The yearly course is divided into two terms, viz., from the 1st February to 15th June, and from the 15th July to the 15th December, the intervening periods constituting the vacations.

X. During the whole course, monthly reports of the application and progress of each student will be forwarded for the information of the Council of Military Education. Examinations are held at the end of every half-year: the Summer Examination being conducted by the Professors of the College, and the Winter Examination by Examiners independent of the Establishment, under the superintendence of the Council of Military Education.*

The Winter Examination at the termination of the first year of the student's course is probationary, and any student will be required to withdraw from the College who shall fail to obtain the minimum aggregate of marks hereinafter stated.

Should, however, any marked case of deficiency or neglect be brought under the notice of the Council of Military Education at any half-yearly examination, or at any other period, such student will be also liable to removal.

The following five subjects will be taken up by every student at the probationary examination, viz.:—

	Maximum of Marks.	Minimum of Marks allowed to count.
1. Fortification	280	... 90
2. Military Drawing and Surveying ...	270	... 90
3. Military History	300	... 100
4. Military Administration and Legislation	300	... 100
5. French, German, or Hindustani ...	400	... 133

Every candidate will be expected to obtain 800 marks on the above subjects.

All credits gained on the four Military subjects will be carried forward to the final examination.

Of the following subjects the student may select any two; and in those numbered from 1 to 6, as well as in the language already selected as "Obligatory," the student may at his option carry forward to the final examination the marks he gains, provided they amount in each case to three-fourths the allotted maximum: when he will be considered as finally examined in that subject.

1. Mathematics, lower course	400
2. Mathematics, higher course	500
3. French	400
4. German	400
5. Hindustani	400
6. Any other Modern Language	400
7. Natural Sciences, lower course	150
8. Experimental ditto, lower course	150

In those numbered 7 and 8, the marks gained will be carried forward to the final examination.

In addition to any two of the above subjects, the following may be taken up at the probationary examination; and if 150 marks be gained in it, they may, at the option of the student, be carried forward to the final examination.

Spherical Trigonometry and Practical Astronomy 200

Any Officer who does not take up mathematics as a subject will be required to satisfy the examiner that he has a competent knowledge of mensuration; of the mode of determining heights and distances by ground problems, and by the ordinary trigonometrical calculations with the aid of logarithms, and of elementary mechanics, as shown in the synopsis of studies of 1866. His knowledge of these subjects will be tested at the probationary examination at the end of his first year of residence.

XI. The following are the marks allotted to each subject at the final examination.

Subjects to be taken up by every student:—

	Maximum No. of Marks.†	Minimum allowed to count.
Fortification and Artillery	600	... 300
Military Drawing and Surveying	350	... 350
Reconnaissance	350	
Military Art, History and Geography ...	600	... 300
Military Administration and Legislation ...	600	... 300
French, German, or Hindustani	400	... 200

* In Military History, Periodical Examinations are conducted by the College Professor and by the Public Examiner in concert.

† Including the marks appropriated to the probationary examination.

Digitized by Google

GENERAL ORDER, No. 886—*continued.*

Every candidate will be required to obtain for qualification an aggregate of 1800 marks on the above five subjects.

Of the following subjects the student may select any two, and the credits gained will count for position in the order of merit.

	Maximum No. of Marks.	Minimum allowed to count.
Mathematics, lower course ...	400 ...	240
Mathematics, higher course ...	500 ...	300
French	400 ...	240
German	400 ...	240
Hindustani	400 ...	240
Any other modern language ...	400 ...	240
Natural Sciences	400 ...	240
Experimental do.	400 ...	240

In addition to any two of the above-mentioned subjects, the following may be taken up by any student who did not take it up at the first year's examination, or did not then obtain three-fourth marks in it—

Spherical Trigonometry and Practical Astronomy ...	...	200 ...	120

In the examination in modern languages, great stress will be laid on original composition.

Officers desirous of showing their proficiency in other of the optional subjects, in addition to those which are allowed to be taken up for the competitive examination, may be examined therein, and a special report of their qualifications will be made to the Field Marshal Commanding in Chief, provided they obtain three-fifths of the maximum allotted to the subject: but they will not be allowed to count any marks thus gained in determining their position in the order of merit.

XII. After the final examination the Council of Military Education will draw up, and submit for the consideration of the Field Marshal Commanding in Chief, a list of the successful candidates, arranged according to merit.

XIII. Officers who have passed their final examination at the Staff College will be attached to other arms of the service for the purpose of acquiring instruction in those duties and field movements which are not common to their own. Certificates of their efficiency therein will be forwarded to the Adjutant General by the Officers commanding the Corps to which they have been attached.

Officers of Cavalry and Infantry will attend at Woolwich, or such other station as may be ordered, for instruction in Artillery, for a period of six weeks.

Officers of Cavalry will be attached to Infantry for one month.

Officers of Artillery, Horse Artillery excepted, will be attached to Cavalry for one month, and Officers of Infantry for six weeks.

Officers of Artillery will not be required to be attached to Infantry.

XIV. The Regulations published under General Order, No. 725, of the 5th March, 1859, relative to the qualifications of Officers for direct Staff appointments, will continue in force, until the system which has been above detailed shall have fully come into operation, and the examinations referred to in that order will be conducted under the direction of the Council of Military Education.

Substantive Field Officers, however, who have attained the rank of Lieutenant Colonel, will be exempted from the operation of that order.

As soon as the College shall be in a position to supply all vacancies in the Staff of the Army, no Officer will be appointed to the Staff who shall not have passed the final examination of the College, with the exception of those of the Royal Engineers, and of those substantive Field Officers who attained before the 1st January, 1860, the rank of Lieutenant Colonel; and in every case excepting Officers of proved ability in the Field.

XV. Candidates who shall have proved their fitness for employment on the Ordnance Survey, or in the Topographical Department, by superior progress in the higher course of Mathematics, as well as in Topography, will be named in the report of the Council of Military Education as deserving of employment in those services.

WILLIAM PAULET, *Adj. Gen.*

Alphabetical List

OF

GENERAL AND FIELD OFFICERS

RETIRED FROM THE ARMY,

With the Regiments from which they Retired.

All General and Field Officers whose names are allowed to be retained in the Army List, whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October, 1854, shall send a Notification to Her Majesty's Secretary of State for War of their being alive on the 1st January and the 1st July of each year.
If such Notification due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed from the Army List.
